

Members of the UN-Committee of the Association for World Education, AWE invites you to a fine session:

Local work on the SDGs, the 17 Sustainable Development Goals
in three different places in the World: Kyiv in Ukraine, Zambales in the Philippines,
and Herlev-Kinshasa, Denmark-DR.Congo

Content, Educational Aim, and Goals:

YOU can expect an exploration of how members are working hard with different local obstacles and possibilities to obtain and include the 17 Goals in practice, in their volunteer work to make their local World & Community a better place.

- The organization and the three introductions in this session have been created with inspiration and influence of the coming UN CSO, Civil Society Organisations Conference In Nairobi, Kenya 11/10 May. It is a stepping stone to the coming Pact for the Future event, in September 2024.
- A clear message and objective is: Our work happens now in a global hopeful atmosphere that it matters what WE and YOU do wherever you are living. Another objective of this Session and Q & A (Workshop) is to provide a platform for Civil Society to share ideas and learn from each other in the common pursuit of solving problems.
- In the current work for the UN CSO Conference in Kenya, you will find a focus on at least three main categories, showcases, what you are doing must cover, be: Inclusive, Impactful, Innovative. We are trying our best to focus on similar.

The session includes a Q&A.
